Why He Joined FCCLA

FCCLA is truly the most important aspect of my life. I have had the opportunity to grow up with this organization, and it has helped me evolve into the dynamic leader that I am today. It has allowed me to be a part of the Ultimate Leadership Experience. It will forever be the reason who I am today.

Three Life Goals

1. To one day be working as a CV (Cardio and Vascular) Surgeon.
2. I would like to attend Texas Tech University and be a part of the CASNR program. I would like to get a degree in Agricultural Science and a minor in Leadership!
3. To have a family and live a peaceful ranch in the Texas hill country.
