Why He Joined FCCLA

I initially joined FCCLA because two of my older siblings had been involved in FCCLA in High School and I heard about the amazing experiences and fun they had. I wanted to take part in everything they did and fell in love with the organization upon joining. Since then, I have grown as a leader and person. FCCLA has encouraged me to take on leadership challenges and assume more responsibilities.

Three Life Goals

1. In the near future I hope to attend a college with a 5 year architecture program so that I can one day be a licensed architect. I hope to help build the homes for America's future and perhaps a future National Leadership Conference center!
2. I want to travel to Italy and tour through the entire country including Rome, Vatican City, Venice, Florence, etc.
3. I would love to one day learn how to be a Hibachi Chef to impress my friends and family.

Beyond FCCLA

- Boy Scouts of America; Eagle Scout applicant
- National Honors Society
- National Technical Honors Society
