### Why She Joined FCCLA

Truthfully, I joined FCCLA because I had the eager need to do something important, and help change the quality of life in my community. I needed some way to get involved with my community, and FCCLA gave me the perfect way to do that. FCCLA has changed my life, and has been my biggest influence. After joining and participating in FCCLA, I went from a shy, introverted girl to an outgoing, involved community leader.
