The Vital Stats

Nickname: "Momo"

State Association: Minnesota FCCLA

Year in School: 12th

Birthday: October 31

Why She Joined FCCLA

I initially joined FCCLA because I didn't have any activities to speak of and was concerned that would hinder me when I applied for college. I stayed in FCCLA because I realized that this is what I can excel in. It plays to my strengths and gives me the opportunity to make a difference. It has allowed me to experience so much, develop skills I couldn't even have addressed on my own, given me lifelong memories, friendships and mentors, and prepared me for my future. I can honestly say I do not know where I would be right now if it weren't for my involvement in FCCLA
