Third Runner-Up Winner
Valley High School FCCLA
Hazelton, Idaho
Project Title: "Christmas for Kids"

Valley High FCCLA chapter learned that their school is considered socio-economically disadvantaged due to more than 70% of the students qualifying for free or reduced lunch. The Valley High FCCLA chapter goal was to provide a gift for all of the children that qualified for a Christmas basket, by asking for donations of new toys, and purchasing gifts that were not donated. They estimated that 100 children would need a gift and set another goal to raise \$1,000 to help fund the project. The FCCLA chapter raised more than \$1,300 and received enough donations to provide a total of 248 presents to be given to 142 children.
