

FACTS

Runner-Up Winner
West Point-Beemer Sr High FCCLA
West Point, Nebraska
Project Title: *“One Mistake”*

The West Point-Beemer Sr High chapter’s project, “One Mistake,” addressed the dangers of texting and driving in their school and local community. Working with local law enforcement and media they were able to engage their community through interactive presentations, PSA’s, and a school-wide no texting while driving pledge. The FCCLA chapter recorded an increase in responsible texting through surveys and community feedback since their demonstrations.
